

INDUSERV

*The Catalyst for
your performance*

induserv
Industrial Solutions & Services

Industries

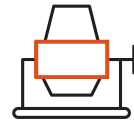

Conventional Power
& Nuclear

Fertilizers
& Chemicals

Oil & Gas

Gypsum
& Cement

Mining
& Minerals

Iron
& Steel

Food

Pharmaceutical

Our technologies

Static & Rotating Equipment

Heat Exchangers
Reactors & Internal of Reactors
Pressure Vessels & Columns
Air Coolers
Burners and Skids
Agitators and Mixers
Industrial Pumps

Bulk Material Handling & Processing

Overland Conveyors
Vibrating Screens & Feeders
Belt & Chain Conveyors
Belt & Chain Bucket Elevators
Extractors and Feeders
Unloaders
Stackers and Shiploaders
Ecological Hoppers

Spare Parts

Tubes, Pipes and Fittings
Baffles and Tube-sheets
Belts and Chains
Forged and Cast solutions
Motors and Gearboxes
Instrumentations
Valves

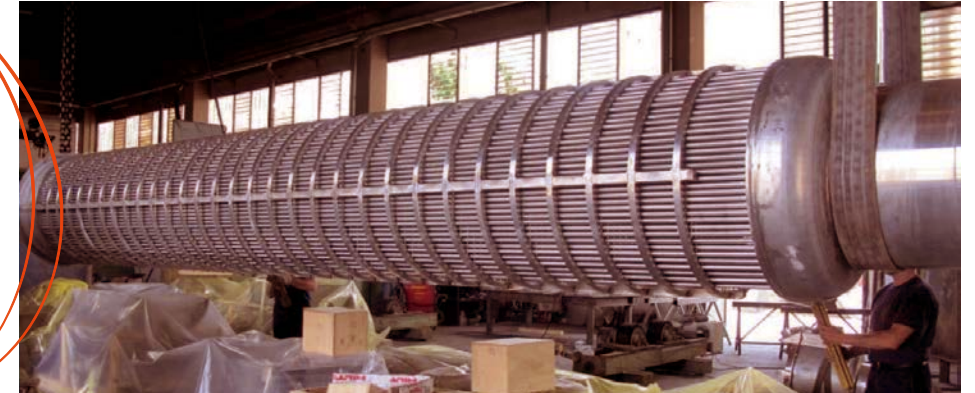

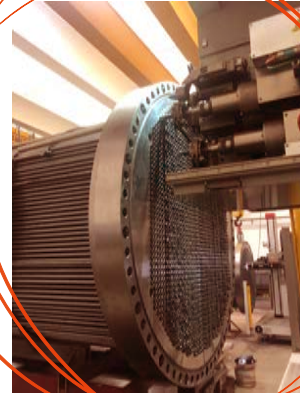

Services

Feasibility study (Technical,
Financial and Technological
including engineering drawings)
Revamping & Refurbishment
Inspection & Control

Static & Rotating Equipment

Engineering, Mechanical & Thermal calculations and Manufacturing of:

- Heat Exchangers
- Reactors & Internal of Reactors
- Pressure Vessels & Columns
- Air Coolers
- Burners and Skids
- Agitators and Mixers
- Industrial Pumps

Keep in mind

Don't forget

++

Bulk Material Handling & Processing

Engineering, Mechanical Calculation and Manufacturing of:

- Overland Conveyors
- Vibrating Screens & Feeders
- Belt & Chain Conveyors
- Belt & Chain Bucket Elevators
- Extractors and Feeders
- Unloaders
- Stackers and Shiploaders
- Ecological Hoppers

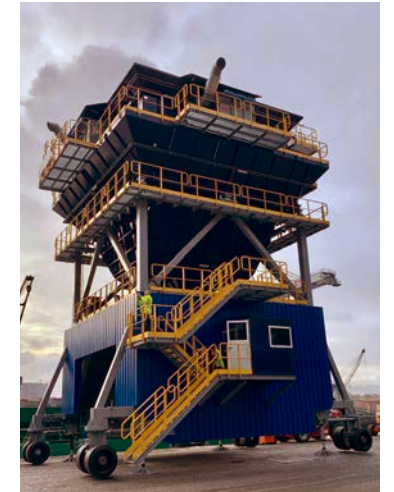

Customized and suitable solutions for your processes

Keep in mind

++

Don't forget

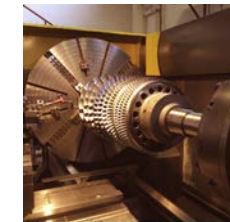

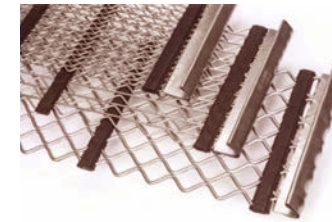

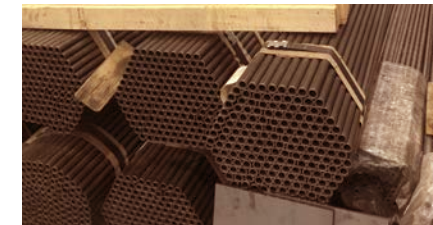

Spare parts & Services

Spare parts

- Tubes, Pipes and Fittings
- Baffles and Tube-sheets
- Belts and Chains
- Forged and Cast solutions
- Motors and Gearboxes
- Instrumentations
- Valves

Services

- Feasibility study (Technical, Financial and Technological including engineering drawings)
- Revamping & Refurbishment
- Inspection & Control

Keep in mind

Our philosophy:
Supporting our customers
with optimized technologies
and technical solutions for
better CAPEX & OPEX with
an uncompromising quality
